

What is World Mission Sunday?

World Mission Sunday is one Sunday in the year when the entire global Church comes together to support the mission of Christ and his church. Donations taken during these worldwide Masses go to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor.

World Mission Sunday is About Solidarity

World Mission Sunday - often celebrated during all the Sundays of October - is essentially a powerful reminder that all of us have a role in the missionary activity of the Church. On this special day, every Catholic community in every country around the world stands in solidarity as "a sign of the unity of faith, love and justice, that unites all the faithful and all the particular Churches in the world, in communion with the universal Church" (PMS Statute, Art. 67).

World Mission Sunday Contributes to the Pontifical Mission Societies Solidarity Fund

The Pontifical Societies for the Propagation of the Faith, Holy Childhood and St Peter the Apostle set up a solidarity fund that supports the church's mission of evangelisation, around the world, particularly in young churches or in poorer dioceses that find themselves in need.

World Mission Sunday - is more than Collections - It is about Prayer, Formation & Charity

The Pontifical Mission Societies are not funding agencies, or Non Profit Organisations. We are a worldwide network of prayer, formation and charity, present in every local church.

World Mission Sunday - Missionaries of Hope Among the Peoples

Pope Francis' message for World Mission Sunday 2025, "Missionaries of Hope among the peoples," emphasizes the Church's call to bring Christ's hope to every corner of the world. He highlights that hope is a gift that transcends borders, cultures, and divisions, and reminds us that every Christian is called to be a bearer of this hope, especially to those who suffer, feel forgotten, or live in despair. The Pope encourages us to participate actively in the mission of the Church through prayer, charity, and the witness of daily life, underscoring that all of us are invited to be Missionaries of Hope who share the light of Christ with the world..
